12. To ensure total participation, it shall be mandatory that each student athlete participate the minimum time per game of six (6) minutes. Failure for a coach to adhere to this rule will result in a report to the Coordinator of Athletics for review.

14. Anytime a player is injured and returns to play, the playing time minimum must be met.

15. The score keepers shall notify each coach of the official playing times for their players during halftime and quarter breaks.

16. It is the responsibility of the head coach to make sure that each student athlete meets the required minimum playing time.
