7th/8th Grade Tournament

10. CESL Regular Season Standings and CESL Tournament Seeding:
 - A. The league regular season point system to determine regular season standings and tournament seeds will be two points for a win and one point for a tie. Regular Season Champion will be based on most points. If a tie occurs, head to head will be the tie-breaker. Otherwise, the teams will be co-champions.
 - B. Teams will be seeded for the City Final Cup based on regular season final point standings. If there is a tie for a tournament seed, the goals scored vs. goals allowed differential will be used to seed teams.
11. There will be a league tournament at the end of the regular season for all 7th/8th grade teams.
12. Teams or player(s) may play more than one game in one day for the Tournament Cup.

Game Eligibility & Minimum Playing Time

13. Failure to field six players at the scheduled time will result in a forfeited game and the opposing team shall be considered the winner by a score of 1-0. Forfeit time is scheduled start time plus 10 minutes.
14. To ensure total participation, it shall be mandatory that each student/athlete participate a minimum time per game of 15 minutes for a 5th/6th grade team. For the 7th/8th grade, the minimum is 15 minutes per game.

Game Rules

15. No team or player may play in more than one GRACEAC regular season contest per day.
16. Games will follow 8 v 8 format. Decision is subject to review and vote by GRACEAC Board.
-8 v 8 rules: seven players plus goalkeeper. Team must have 6 players to begin a contest.
17. Field Size shall be 75 yards by 50 yards for 8 vs. 8
18. Game Ball Size:
 - A. A number five (5) ball will be the official size game ball for 7th/8th grade games.
 - B. A number four (4) ball will be the official size game ball for 5th/6th grade games.
19. Game Times:
 - A. 5th/6th grade games will have two 30-minute halves with a five-minute halftime.
 - B. 7th/8th grade games will have two 30-minute halves with a five-minute halftime.
20. For all games, there will be a running clock. No time will be added for interrupted play or delay of game. The game clock may be stopped at the discretion of the referee in the event of an injury.
21. Substitutions:
 - A. A team may substitute at regular substitution opportunities.
 - B. For 7th/8th grade games, a substitute may be put into the game to replace an injured player when play has been stopped, to a yellow carded player, or at any time the substituting team has the ball. Coaches must have substitutes ready on the sideline to avoid unnecessary game delays. There will be no mass substitution break.
22. Coaches and teams must coach from the sidelines on the same side of the field between the center of the field and the goal line. Fans and spectators must sit or stand opposite the side from the players and coaches.
23. No players, coaches, or spectators may stand behind either goal line.
24. Each game will attempt to use a two referee system and not require any volunteer lines people. When only one referee is available, each team must supply a linesperson. The linesperson will determine when the ball is out of play and which team has possession. The referee will make all offside calls.
25. A defender may kick the ball back to their goalie, but the goalie may not pick the ball up with his/her hands. If the goalie does pick up the passed ball, an indirect kick will be awarded to the opposing team from where the goalie picked up the ball.

26. When a team has a five goal lead, the coach is encouraged to take appropriate action to prevent the leading team from running up the score. This may mean reassigning their forwards to defense and substituting less skillful players. Unsportsmanlike behavior may result in a yellow card to the coach.
27. Mercy Rule - At any point in the game when a team is ahead by 8 or more goals, the winning team will play down a player (8 vs. 7). This will remain in effect until the deficit has been reduced to 6 goals. Additionally, at any point in the second half of an eight goal difference, no player who has already scored three goals may score again until the deficit has been reduced to 6 goals.
28. Any coach yelling or complaining to the referee's will be yellow carded immediately. Two yellow cards are an automatic red card and game ejection for the remainder of the game.
29. If a player or coach receives two yellow cards during the same game, they automatically are to receive a red card and be ejected from the game and field. Profanity, slide tackling, and goalie roughness are some causes for these cards. A player or coach issued a red card during a game will also sit out the next scheduled league or tournament game.
30. Slide tackles will be considered a dangerous play. A slide tackle inside the box is a penalty kick. A slide tackle outside the box is an indirect kick.
31. There is no overtime in case of a tie during the regular season. Tournament games ending in a tie will have overtime as follows: a shootout with each team selecting five players. Remaining players must be behind the shooting players and remain quiet while each team alternates shooting a PK shot on goal. Whoever scores the most after five shots is the winner. If still a tie after the shootout, a sudden death shootout will take place. This means if team A's player scores on the first shootout attempt, and team B's players misses their first shootout attempt, the game is over and team A wins. If both teams score on the first shot, then each team shoots a second shot. If Team A scores on the second shot, and team B misses, the game is over and Team A wins. We must use shootouts because of limited time between games during our tournament.

bleeding has stopped or uniform is free of blood before returning to the game. Bleeding or blood is any amount on the uniform or skin that can be transferred to a player, opponent, or official. The player may not return until the bleeding has stopped, and if necessary, the affected area covered. If the player has any amount of blood on her uniform, the uniform must be changed.
